

Naoto Vava K (Japanese MELODICA, Indian TABLA,African KALIMBA,Tibetan THROAT SINGING,& SINGING BOWL,etc × Korg KAOSILATOR, LOOP ORCHESTRA MACHINE/RC-50.)

Naoto is a one-man orchestra from Japan, performing live ambient music n dance tunes with a diverse number of instruments including the Indian tabla, Korg KAOS, African kalimba, melodica, throat singing, Tibetan singing bowls and loop machine. Naoto gave his first gig when he was born piercing the air with his mystical rhythmic cry. At the age of 6 he started to take piano lessons and at 10 began to practice chorus. As a teenager Naoto moved onto a heavy metal band in his hometown, Mito city. After his heavy metal days Naoto broke through Japan and started travelling the world, in seek of his true being and this is where he discovered the tabla in Varanasi, India. Naoto committed his time to learning with the tabla master Dinesh Chandra Diyondi from Temple of Music Nada Yogi, in North India and then progressed to introducing Japan to the Tabla. Since 2008, Naoto start his solo project named Kailash Calling. Performed in Abiko Open Air International Festival, Full Moon Festival in Bak Genjin Commune at Fujushima, Busan International Art Performance Festival in South Korea among a number of other cultural events. And He has own project Events.Called [Earth PILGRIMS] Art,Music can be PRAY,and FUN also can be a kind of PRAY by the Audience too. He had this Event on Thailand 2013,Nepal 2014, South Korea 2015,Israel 2015,and JAPAN 2015.with various artists.

In Tokyo,India,etc.. he collaborated with numerous artists of all kinds of genres allowing his music to progressively move to the next level and higher energy. -----
